

# Your GoalMaker Portfolio

## Options by Investor Style Code\*

If you want to enroll in GoalMaker®, this chart shows how your money would be invested by asset class. The GoalMaker asset allocation models available in your plan have been determined by Procyon Partners, the advisor retained by your Plan Sponsor. If you want to build your own portfolio, the same code provides a potential mix of investments by asset class.

\*Your experience with various investments can affect how you feel about the investments in your account. Consider the Investor Styles relative to your investment experience or your comfort level regarding investments.

Representatives of Procyon Partners are registered representatives of Purshe Kaplan Sterling Investments an independent brokerdealer not affiliated with Prudential Financial or any of its companies or businesses.

The GoalMaker asset allocation models available in your plan have been determined by Procyon Partners, an adviser retained by your Plan Sponsor.

GoalMaker's model allocations are based on generally accepted financial theories that take into account the historic returns of different asset classes. But, of course, past performance of any investment does not guarantee future results. Participants should consider their other assets, income and investments (e.g. equity in a home, Social Security benefits, individual retirement plan investments, etc.) in addition to their interest in the plan, to the extent those items are not taken into account in the model. Participants should also periodically reassess their GoalMaker investments to make sure their model portfolio continues to correspond to their changing attitudes and retirement time horizon.

Retirement products and services are provided through Prudential Retirement Insurance and Annuity Company (PRIAC), Hartford, CT or its affiliates. PRIAC is a Prudential Financial company.
